Dear Tony:

Enclosed find two (2) copies of sheet 21A. This sheet shows variations of the furniture arrangements shown on drawing #21 which I forwarded to you on November 17, 1964. These layouts make use of executive desks with return units. In a couple of the smaller spaces we could not fit in a return with the desk, therefore, they remain the same.

STAT We are sending one print to . This is also a part of Task Order #16.

Sincerely,

I.S.D. INC.
